

NATURE | ENVIRONMENT | INSPIRATION | CONNECTION | ENGAGEMENT

A public art installation comprised of approximately 30 works of public environmental art will be installed along the Platte River Trail between the Pumphouse and the historic oil derrick in Amoco Park from July 9<sup>th</sup> - September 30<sup>th</sup>.

The Platte River Trails Trust, in partnership with ART 321, is calling for artists to submit works of any medium. From weaving and welding to ceramics, painting and metalwork, all variations of inspiration are welcome to be submitted for the Art for the Trails program, adding creative, artistic expression to the enjoyment of our community trails.

**Submissions are due on Friday, May 8, 2020.** Artists will be notified by Friday, May 15, 2020.
