THE PLATTE RIVER TRAILS

The Platte River Trails Trust is a non-profit 501(c)3 organization, incorporated in 1982, that works alongside the City of Casper and many partners to develop, enhance and maintain a first-class non-motorized community trail system that is free for all to use regardless of age, ability or income. Our trails provide access to the North Platte River, open spaces, 10 City parks and downtown Casper. Casper's trails feature formal and informal gathering places to socialize, relax, and participate in educational and recreational activities and connect with nature.
